MESSAGE FROM CEO DR. ZIA UL HASAN

As we near the year's end, it's encouraging to see positive developments, especially AIMS' fundraising initiatives evolving into an annual trend.

Our primary focus over the past two years has been the implementation of the Sehat Sahulat Card for long-term sustainability. This endeavor is currently on hold due to the political climate.

Despite this, we've made significant progress. We've acquired essential inpatient care equipment and established a 24/7 emergency room. We've strengthened our staff by adding a full-time endocrinologist, medical officers for diabetes and general healthcare, two daytime surgery professors, a professor of Ophthalmology, a senior registrar in Surgery, and three more doctors. This expansion has enhanced patient care. Our outreach to village medical camps has become more frequent, greatly assisting patients in these challenging times.

As we enhance patient care, significant gaps remain. The radiology and imaging department needs enhancement, solarization is required for frequent power cuts, and our I.T. systems and Footcare need updating. To address these needs, AIMS USA held a fundraiser on November 19th. I express my heartfelt thanks to supporters who have raised funds there.

Additional funds, however, are still needed to fill these gaps.

For this purpose, a fundraiser is scheduled on Saturday, December 23rd, at Sugar Hospital Peshawar—a joint initiative by the Diabetes Association KP and AIMS Pakistan, our flagship project. In my capacity as the President of both organizations, I appeal to all registered patients, members, staff, family, and friends to participate. This invitation extends to residents in Pakistan and abroad. If you cannot attend in-person, please join virtually. Let us make a difference in the lives of patients and families grappling with diabetes.

Lastly, my appreciation goes to all donors, volunteers, and staff who contribute their time and money to these initiatives. May Allah SWT shower His blessings upon you in this world and the hereafter.

SUGAR HOSPITAL

Sugar Hospital organized World Diabetes Day. It included a rally/procession on the streets to raise awareness among people

Mayor applauded the work of Diabetes Association Officers. Right to Left: Dr. Zia Hasan, President, Dr. Khalid Osman, Vice President, Haji Zubair, Dr. Tufail Muhammad, General Secretary, Ayaz Mujahid, Board Member

Patients Story

ABU BAQAR

Abu Baqar, a 6-year-old Type-1 Diabetes patient has been receiving care at Sugar Hospital. He receives free medication, regular checkups and is leading a normal and healthy life.

M. AKBAR

M. Akbar from South Waziristan, who despite facing the challenges of diabetes leading to both hands being affected, finds hope and support at Sugar Hospital.

Volunteers Profile

Asad Ullah Khan

Asad Ullah Khan has been an invaluable volunteer of AIMS. He has a management & Admin background. Currently lives in UAE. He has been assisting AIMS Pakistan since 2015. He has helped with IT, branding, website, social media, and management. He was very instrumental in achieving registration status for AIMS Middle East

Fareed Ullah

Fareed Ullah has been a business owner and a social worker. He has been an exceptional and dedicated volunteer at Aims Sugar Hospital for the past two years. He has actively contributed to various events, particularly focusing on Type 1 Diabetes and educational initiatives. Fareed Ullah's consistent presence and valuable contributions make him an integral part of our team.

Call for **VOLUNTEERS**

Volunteers play a big role with us. We are looking for volunteers who can give time on a regular basis.

BENEFITS OF VOLUNTEERISM

- Rewards in this world and the hereafter.
- Personal growth.
- Health and well-being.
- Career development
- Social impact
- Learning opportunities

Sugar Hospital is a charitable organization that provides care to the poor and needy. While those who can afford it are charged some fees, all earnings are put back into the hospital to facilitate patient care. It is a non-profit organization which means none of the profits go to the management, board members or any other individuals. All profits are put back in patient care.
